Jennifer,

As I referenced telephonically on Tuesday, July 23rd, you have been provided with the years requested in your OPRA (for IT services) dated April 23, 2024.

I sent you two separate e-mails. Exhibit F, sent on May 15, 2024 and Exhibits G-J, sent on May 16, 2024, providing the invoices that were listed on the paid bills list, current to April 23, 2024.

Please feel free to submit a new OPRA for more current invoices from Pascack Data, if you wish.

In the future, please review what is sent to you before stating that documents were not provided. I have always completed your OPRA requests, to repeatedly say otherwise is simply not accurate.

For clarification purposes, as stated by the Government Records Council, "A valid OPRA request seeks specific, identifiable government records. Valid OPRA requests do not ask questions, do not seek information, and do not require a custodian to conduct any research or create a new record".

Bruce and/or I would be happy to discuss or answer any questions you may have, which would not fall under OPRA.

Thank you.

Very truly yours,

Meredith Bendian, RMC

Hi Meredith,

The OPRA request stated 7 years of invoice but, the response only included invoices through 2021. There are no invoices for 2022, 2023 and 2024.

Can you please complete the OPRA request by submitting the 3 missing years invoices.

Thank you,

Jennifer
